Ho Chi Minh City, 8th December 2022, Shinhan Bank Vietnam Limited ("Shinhan Bank") officially introduced a new version of the Shinhan SOL Vietnam Mobile Banking Application on 05 December 2022, in order to provide customers with faster and more convenient digital banking service experiences.

Shinhan SOL Vietnam's new version, which includes numerous innovative improvements, reaffirms the bank's pioneering role in digital transformation and the application of digital technology. With the new interface, all functions are now displayed fully on one phone screen, and the color of Shinhan SOL Vietnam's new version has been chosen in harmony, capturing eye-catching features as well as reasonable, easy-to-see. The new version program not only improves the interface but also integrates advanced security levels. Meanwhile, the function menu is also organized logically for clear, straightforward, and convenient operation.

Shinhan SOL Vietnam, in particular, has been enhanced with the Notification feature via the application, facilitating interactions between Shinhan Bank and customers faster and safer. The bank also implemented the Asset Management feature to the application at the same time, to assist customers in centrally managing assets/liabilities and controlling financial information conveniently and effectively.

The new Shinhan SOL Vietnam version also allows customers to open credit cards, open accounts, and register for Mobile Banking SOL/Internet Banking services via the Electronic Know Your Customers (eKYC) service, which is completely online. The payment feature on the new Shinhan SOL Vietnam application has also been updated, allowing customers to make transactions with a variety of invoices.
