Ho Chi Minh City, December 06th 2021 – Shinhan Bank Vietnam Ltd. (“Shinhan Bank Vietnam”) has officially launched the “Shinhan Package” for individual customers, which bring optimal benefits when using Demand account, Debit/ATM card and Digital Banking Service.

With “Shinhan Package”, customers will get an unlimited 1% cash-back on spending with VISA debit card, 1% off for unsecured loan with Payroll account, completely free online banking transactions and free account opening by mobile numbers format.

The "Shinhan Package" consists of two packages: S-Basic and S-Advance. S-Basic package includes Demand account, Internet Banking/ Mobile Banking SOL service and ATM card. Whereas, S-Advance package is an offer with Visa Debit card. (*)

Shinhan Bank also introduced the Shinhan My SOL International Debit card line in November, with a youthful design and exceptional utilities that are ideal for a modern and active lifestyle. Shinhan My SOL Debit Cardholders who register for the "Shinhan Package" can get unlimited 1% on all card spending. Furthermore, Shinhan points can be easily redeemed for cash. Cardholders can save up to 50% at Shinhan Bank's extensive affiliate network - Shinhan Zone - in the categories of F&B, leisure, travel, shopping, health, and beauty.

With eKYC technology that the bank has developed since the beginning of this year, customers can register to open Shinhan My SOL card online easily and quickly through Mobile Banking SOL application.

Shinhan Bank Vietnam's representative stated about the new "Shinhan Package": "In response to the trend of promoting non-cash payment and ensuring compliance with the 5K standard rule, particularly during the Covid-19 epidemic, Shinhan Bank always strives to provide customers with convenient and safe experiences of financial products and services. The Shinhan Package's introduction is no exception. We hope that this new product line, along with the online card opening service using eKYC technology on our Mobile Banking SOL app, will maximize the benefits and interesting experiences for customers."
