- *Continue realizing its mission of “Brining a better world through power of finance”*

- *Provide support to students in Hai Duong Province to go through challenges caused by pandemic; and make contribution to the social development of Vietnam*

Ho Chi Minh City, 05 March 2021 –Shinhan Bank Vietnam Limited (“Shinhan Bank”) has carried out a program that provided support to underprivileged children suffered from impacts of Covid-19 pandemic in Hai Duong Province. This is one of the actions within the meaningful corporate social responsibility programs developed and carried out by Shinhan Bank. The goals of this activity is to support communities to go through the challenges and fight back pandemic that was initiated from early 2020 so far.

The new wave of Covid-19 occurred from 25 January 2021 that led to restrictions to any gatherings activities to prevent further spread of pandemic. Hai Duong is one of the most affected provinces by this new outbreak of Covid-19. On 03 March 2021, Hai Duong has officially ended its regulatory 15-day social isolation as required under the Instruction No. 16/CT-TTg, and moved to a new status for Covid-19 prevention and fighting.

Continue our ongoing efforts to support communities to overcome this pandemic, on 05 March 2021, Shinhan Bank, through Vietnam Children’s Fund, has granted VND 100 million to 100 children suffered from Covid-19’s impacts in Hai Duong Province. This activity is to encourage and empower them to go through this challenging period. The granting ceremony is held at the office of Vietnam children’s Fund in Hanoi.

Sharing about this activity, Shinhan Bank’s representative said: “With the mission of “Bringing a better world through the power of finance”, Shinhan Bank always desires to further spread the humanity values to the community and make more contributions to the social development of Vietnam. We hope that, through the meaningful corporate responsibility activities, Shinhan Bank can partly share the difficulties suffered by peoples in Hai Duong province during Covid-19 strong outbreak”.

Particularly in 2020, Shinhan Bank devoted 410 hours of social works with a total of 4,148 participation times of employees. Total disbursements for thee for social activities from 2007 to the end of 2020 of the Bank are up to VND 62 billion. In 2021, Shinhan Bank will continue doing more meaningful activities to spread compassionate finance to the community.
